Dear Pastor.

Greetings from India. Hope and pray that you are doing well. We are doing well by His grace and your prayers too. As exams are over and kids got their summer vacation. They are very happy and enjoying their holidays. Thank you so much for your support and we spend it on food. Kids love it so much. They are always remembering you in their daily prayer. You do keep praying for us. May God bless you more and fulfill all your wishes. Be safe always.

Thanking you.

Regards

Brother Tukuna Kar.
